Legend to Finsterwalde Town Map, Status of 15 February 1952.

- 1 Buildings on Forststrasse occupied by headquarters. Roads in front of installation are blocked. Main guard in northeastern corner. Entrance from Forststrasse. Installation is surrounded by a board fence, except on western side where there is a wire fence. Radio installation in northwestern corner.
- 2 Viktoria Hotel, housing komendatura and motion picture theater for Pussians, surrounded by wall; no sentries.
- 3 Quarters for headquarters personnel; administration buildings of former screw factory. Only entrance at Friedrich-Engel-Strasse, permanently guarded. Installation surrounded by board fence.
- 4 Former high school building, now used as a Russian hospital.
- Motor vehicle repair shop, formerly storage facility of a construction firm; entrance from Stalinplatz, south of installation. Four buildings northeast of installation border on Klara-Zetkin-Strasse, formerly Dismarckstrasse, occupied by EM. Entire installation surrounded by high board fence; no sentries observed; gates always closed.
- 6 Main warehouse in a former free mason lodge. Entire area can be observed; no sentries. At night, all windows of installation lighted.

Former Villa Thierack, now Russian workshop, Jermans are also employed there. Patire installation can be observed, but no sentries were seen.

Quartering and storage facilities of a transportation unit. Three villas with annexes are occupied. Garages for 12 motor vehicles were recently constructed in the yard. Installation occupied by 80 to 90 mem. No sentries were observed because the wooden gate was always closed.

Quarters for officers dependents on Schacksdorfer Strasse.
